A Message from the Superintendent

Dear Students, Families, and Members of the Dover Community,

Wherever you are in your journey ... starting the early years of your child's Dover experience, entering your student's final high school years, or walking alongside us as friends and alumni ... we welcome you back for the 2024-2025 academic year.

This year marks many advancements as we continue to implement our strategic plan, firmly committed to enhancing and always improving the educational experience for all Dover students. Our focus remains centered on key areas:

Empowering Individual Choices and Potential: We are expanding and personalizing student support services, particularly in college and career preparation. This ensures each student has the tools and guidance to forge a successful pathway to a promising future.

Fostering Community Collaboration: We are actively strengthening partnerships with community organizations and stakeholders, only enhancing trust, and bringing a wealth of resources and opportunities directly to our schools and our community.

Maximizing Learning Environments: We are exploring innovative approaches to maintaining progress with our physical spaces, creating dynamic and engaging learning environments that foster student growth and achievement.

Enhancing Academic Achievement and Innovation: Our district is advancing academic opportunities across all disciplines, integrating real-world applications of learning, and providing diverse opportunities for all students.

Whether you are a new student beginning your schooling with us or a graduating senior anxiously ready for your next chapter, Dover Schools is dedicated to meeting your individual needs. Our comprehensive curriculum equips students with the knowledge and skills necessary to thrive in their chosen paths. Dover High School boasts a robust Advanced Placement program with exciting offerings, while our celebrated fine arts program continues to inspire creativity at all grade levels.

Beyond academics, our extensive extracurricular offerings allow students to explore their passions, develop social-emotional skills, and build lasting friendships. With a vibrant selection of 22 varsity sports, diverse clubs, and celebrated performing arts programs, Dover Schools works every day to serve the diverse interests of each student.

Moving ahead with confidence, dedication, and optimism, we are deeply committed to our motto of "Addressing Tomorrow's Challenges Today."

Sincerely,

Karie McCrate

Karie McCrate
Superintendent

AUGUST 2024

REMINDER TO PARENTS:

Please turn in any required immunizations to your child's building

BOARD OF EDUCATION MEETINGS

The Dover Board of Education meets on the second Monday of each month at 7:00 p.m. in the Board Room at 228 West 6th Street. Occasionally, a meeting is conducted at another school building. If so, advance notice is given.

Letter to the Community

As the summer sun warms our faces and the new school year approaches, I'm filled with immense excitement to embark on the 2024-2025 school year together.

Looking back, we've accomplished so much. During the 2023-2024 school year, Dover students experienced tremendous success in academics, athletics, and the arts. This success is a testament to the incredible efforts of, and collaboration between, our dedicated teachers, supportive staff, and passionate families.

This year, we'll continue building upon that foundation. Here are some key areas of focus:

- **Academic Excellence:** We're committed to providing all students with a rigorous and engaging curriculum that fosters critical thinking, creativity, and a love for lifelong learning.
- **Social-Emotional Well-being:** We recognize the importance of nurturing the whole child. We will be working diligently to equip students with the skills they need to navigate challenges, build healthy relationships, and thrive.
- **Community Connection:** Strong community partnerships are essential for student success. We'll continue fostering these connections by hosting Family Literacy Nights, academic awards programs, sporting events, concerts, plays, parent-teacher conferences, volunteer programs, and other community events.

Dover City Schools cannot achieve these goals without our community's continued support. Our schools are great because of the positive relationships we have with our families and Dover residents. It is reassuring to know that our students and staff are supported by a community of roughly 13,000, and we welcome Dover residents to be involved in the education of our students. Together, we can make the 2024-2025 school year a truly extraordinary one. Go Dover!

Seth Corder

Assistant Superintendent

Dover High School administration and staff are honored to begin another school year in our new high school that was so generously given to us by our community. As we continue in the tradition of Dover excellence, we are humbled by our community's support and its commitment to the continuation of our rich Dover traditions in this new era.

Dover High School has been recognized by US News and World Report as "One of America's Best High Schools," for another school year. The high school staff works diligently to provide a great foundation for all students and believes education is the foundation of a productive, successful life. Along with our traditional course offerings, Dover High School offers thirteen Advanced Placement courses, nine dual-credit classes and several honors courses. There are more than twenty athletic opportunities where students can compete at an individual or team level. Students are encouraged to participate in our award-winning performing and visual arts programs, both in the classroom and after school. In addition, a variety of clubs are offered for students to become involved with others who share common interests and goals. We believe developing the whole student academically, athletically and socially helps prepare the student for a future beyond the high school doors.

Welcome to Dover Middle School!

Our school is a student-centered place committed to the educational success of each of our students. Housing grades 6, 7 and 8, we realize the incredible responsibility it is to educate the middle school age child and we strive to meet the needs of every student. Our top-notch, hard working staff is committed to helping each child navigate this particularly important and formative stage of their education and personal development.

In addition to intervention and enrichment programs, Dover Middle School provides a wealth of learning opportunities for students. Those opportunities include a range of language arts and math courses for every type of learner; high school credit options for qualifying students and elective courses such as Project Lead the Way, & Health and Digital Literacy. Our band, choir and orchestra programs provide an excellent foundation for students to explore their musical talents.

Not only do we provide academic and music outlets for our students, Dover Middle School offers a variety of sports for our students interested in athletics, Power of the Pen for those who enjoy writing and an afterschool program called Study Plus. Our Hope Squad program will provide leadership opportunities and support for students in need and we will continue Positive Behavior interventions and Supports (PBIS) as we continue to reinforce our 3 B's, Be Respectful, Be Responsible, Be Safe.

We believe Dover Middle School is a great place to be and know that together with our staff, our students, our families and our community it will continue to be just that as we involve ourselves in the 21st century learning with the priority of creating lifelong learners.

***Dover Middle School is
an exciting building to attend!***

Dover Avenue is more than just a school; it's a vibrant community dedicated to nurturing the academic and social growth of our 4th and 5th graders. We believe in fostering a well-rounded education that caters to each student's individual needs and ignites a lifelong love of learning.

Our dedicated teachers go beyond textbooks, integrating intervention and enrichment activities throughout the day. This ensures all students reach their full potential, whether they need focused support in reading and math, or crave the challenge of our Talented & Gifted (TAG) program with its advanced enrichment in science and math. Learning extends beyond the classroom walls. Students can explore their passions and develop valuable skills through a variety of exciting programs. From leadership roles in Student Council to creative expression in Orff Ensemble, Band, and Orchestra, there's something for everyone! Our unique Crimson Companions program pairs positive peer models with students who need support with social skills, fostering positive relationships.

We collaborate with Rainbow Connection, Dover Public Library, and TUFF Bags to provide resources and weekend meals for our students and families. Our active Parent-Teacher Group (PTG) is dedicated to enhancing the school experience for all. They organize fun events throughout the year, such as book fairs to explore exciting literature and spirit shop opportunities to show school pride. The PTG also fosters holiday cheer with Christmas Give and raises funds to support valuable programs and resources. Additionally, our Time with Teachers event allows students to connect with teachers in a fun and exciting manner to end the year!

We cherish opportunities to build community spirit and create lasting memories. Don't miss our annual Field Day, a day of friendly competition and outdoor activities! Join us for exciting events like the Family Picnic, a fun-filled day with games, food, and laughter. Celebrate the fall season with exciting activities and entertainment at the Fall Fest. And showcase your student's artistic talents at the Fine Arts Festival, a true community event.

Dover Avenue Elementary offers a dynamic learning environment where your child can thrive academically, socially, and personally. We look forward to partnering with you to create a successful and enriching learning experience for your child!

Providing Excellence in Education

Welcome to Dover East Elementary School!

We are proud of our solid tradition of academic success and the experiences we are able to provide our students during these formative and foundational years of their educational careers.

Our school, a nurturing home to over 385 students in second and third grade, is supported by a dedicated staff of approximately 35 professionals. They blend their experience and enthusiasm to meet the diverse needs of our students, providing learning, educational support, and various services. We also offer several enhancement programs that supplement reading, math, speech, and language skills.

Recognizing the importance of educating the “whole child”, we offer a wide range of extracurricular opportunities. These include participation in student council and the Accelerated Reader program, as well as access to various athletic opportunities within our local community.

In addition to a top-notch, hard-working staff and our student-centered programming, East Elementary’s PTG and community volunteers are an extremely valuable support and resource to our students and our school community. Their dedication is an important contributor to the positive experience facilitated for every student at East Elementary.

East Elementary School is a great place to be, and together with our school and local community, our students are given an environment in which they can grow and learn every day!

Preschool–Grade 1

Tracie Murphy, Principal

Darla Polce, Secretary

Kelsey Grewell, School Counselor

Welcome to Dover South School! At South School, we take pride in providing a safe, positive and welcoming environment where all children have the opportunity to succeed. We have a dedicated staff that puts the needs of students at the forefront of all they do.

The 2023/2024 school year was a busy and productive year. Our students did a great job learning and growing together. At South School, our staff values promoting and encouraging positive choices and interactions. We have worked to model this for our students. The 3B's; Be Respectful, Be Responsible and Be Safe, have been a focus for this school year and will continue to be an important part of learning to work together.

Our Preschool continues to maintain a 5-Star rating through the "Step Up To Quality" rating system. We are proud to have earned and maintained the highest rating from the Ohio Department of Education.

Our PTG provided many fun activities for our students and families. These include; Classroom parties, book fairs and of course our annual Ice Cream Social. We appreciate all the work this group of volunteers does to support our students, staff and families.

There are many opportunities for our students to show kindness and to give back. Our students participated in several community service activities. We help special dress up days to support the Rainbow Connection, Share-A-Christmas, and Big Brothers/Big Sisters. Our PTG also organized a kindness campaign to encourage acts of kindness.

Thank you to all of our South School! families for working with us to provide a positive and successful school experience. We are looking forward to another great year in 2024/2025.

SOUTH SCHOOL MISSION STATEMENT

The South School Community will provide opportunities for all children to grow academically and socially in a positive environment that encourages and strives for success.

THE DOVER STAFF

During the 2023-2024 academic year, the Dover City School District Employed 198 full time equivalent certified personnel (teachers and administrators) and 90 full-time equivalent support personnel.

Personnel Profile

Dover's Certified Teaching Staff

(includes part-time teachers, but does not include administrators)

By Gender: 131 female teachers (71%); 53 male teachers (29%)

By Training: 26 teachers have a Bachelor degree (14.13%)
16 teachers have a BA + 15 hours (8.70%)
73 teachers have a Masters degree (39.67%)
37 teachers have a MA + 15 hours (20.11%)
32 teachers have a MA + 40 hours (17.39%)

By Experience: 17 teachers have 0-4 years experience (9.24%)
22 have 5-9 years (11.96%) and
145 have 10+ years (78.80%)

Total Number of Positions

General Faculty: 139

Special Education Personnel: 36

30 Teachers, 4 Speech Therapists, 2 School Psychologists

Educational Service Personnel: 14

8 Counselors, 4 Nurses,

1 Dean of Students, and 1 Librarian

Administrative and Supervisory Personnel: 14

Support Personnel: 90

Classroom Assistants, Secretaries,

Custodial, EMIS Coordinator,

Food Service, Maintenance Personnel,

Bus Drivers and Van Drivers

- Dover teachers have an average of 18 years of experience.
- The average teacher salary for the 2023-24 school year was \$69,675.45

**Actual enrollment in October, 2024. Information is from the Ohio Department of Education, the Education Management Information System (EMIS), and District Report. The calculations for the years 2024-2033 represent enrollment projections based on actual enrollment for 2023-2024, past enrollment patterns, and best estimates of community growth.*

Enrollment Data

In 2023-2024 the actual enrollment as reported to the Ohio Department of Education was 2,763 students. There were 1,467 boys and 1,296 girls enrolled. The ethnic composition was 0.004% Asian, .01% Black, 74% White, 22% Hispanic, .02% Multi-Racial, and 0.007% Indian.

The 2023-2024 school year was the 21st year for open enrollment in Dover City Schools. Approximately 181 students were open enrolled.

It is the policy of Dover Schools to provide an equal opportunity for all students to achieve their maximum potential through the classroom and extracurricular programs offered in the district regardless of race, color, creed, handicap, religion, sex, ancestry, national origin, place of residence, or socioeconomic background

STATE AND LOCAL TESTING

Grades 3-8 Achievement Tests: Achievement Tests are based on the state content standards. In grades three through eight, students are tested in reading and math every year. Science knowledge is assessed in grades five and eight.

ACT: In Spring of 2024, all Juniors took the ACT

End of Course Exams: Students taking certain high school classes are required to take an end of course assessment. These classes include Algebra I, Geometry, Language Arts 10, Biology, American History and American Government.

STUDENT ASSESSMENT IN THE DOVER SCHOOLS

The individual student's academic growth and ability are measured throughout the student's educational career. The results of the standardized testing are also used to assist in curriculum development and for planning instructional goals. The following standardized tests are given and are part of the student's school record:

- **InView Abilities Assessments:** Grades 2 & 3
- **Measures of Academic Progress:** Grades 1-12
- **Ohio's Kindergarten Readiness Assessment**
- **Ohio Third Grade Reading Achievement Test and Math Test**
- **Fourth Grade ELA and Math Achievement Tests**
- **Fifth Grade ELA and Math and Ohio Science Achievement Tests**
- **Sixth Grade ELA and Math Achievement Tests**
- **Seventh Grade ELA and Math Achievement Tests**
- **Eighth Grade ELA and Math and Ohio Science Achievement Tests**
- **Pre-ACT:** Optional, Grades 8 & 10
- **DIBELS:** Grades K-5
- **OELPA:** Grades K-12
- **Preliminary Scholastic Aptitude Test (PSAT):** Optional, Grades 10 & 11
- **Armed Services Vocational Aptitude Battery:** Optional, Grades 11 & 12
- **American College Test (ACT):**
Grade 11 and Optional Additional for Grades 11 & 12
- **Scholastic Aptitude Test (SAT):** Optional, Grades 11 & 12

Parents may request a review of their child's test data either during regularly scheduled conferences or by making an appointment with the school principal or counselor.

Measures of Academic Progress: These online assessments indicate a student's growth compared to the district and national averages. Student achievement is measured in reading, math, and language arts.

ACT and SAT Tests: Each year, DHS juniors and many seniors take the ACT test. Their composite scores have consistently been above the state and national averages. To help students prepare for the ACT and ensure college readiness, PREACT tests are given to eighth graders and sophomores. Many high school students also participate in the PSAT/NMSQT in preparation for the SAT. Some Dover students take the SAT for the purpose of college admission.

Child Nutrition Services

Angela Welch, Food Service Director

Our program follows the USDA nutritional guidelines and the Hunger Alliance Standards for a Healthier Generation to ensure your children are receiving the highest quality meals. It is the goal of the department to teach and encourage lifelong healthy eating habits while using fresh local foods for our students. We offer an interactive menu with nutritional information available for all menu items in the food service section of our district page. You can also download the free My Schools Meals app and choose Dover City Schools District for menu information. You may fill out a Free & Reduced Lunch Application on the Food Services section of our webpage or request a paper copy from any building if you feel you may qualify. Dover City Schools uses an electronic point of sale program in all our buildings. This allows parents to deposit any amount of money into your child's account while keeping information private. Parents also have the ability to monitor and add money to their child's account by setting up an account at the payschoolscentral.com web site, which has a free mobile app to download for easy access.

Please contact our Food Service Director at 330-364-7103 for any questions regarding our food service program. Thank you for letting us be a part of your child's day at Dover City School.

Maintenance Services

Chad Schie, Director of Safety and Operations

Taking care of five Dover City Schools buildings, as well as the stadium, requires the full-time efforts of our custodial and maintenance staff. It requires diligent upkeep and repairs during the school year and throughout the summer months. Continually integrating modern upgrades and new technology into the old buildings is an interesting challenge. The Dover City Schools maintenance and custodial teams work together to provide an environment that is clean, sanitary, and safe. The school properties belong to the community. We strive to support the maintenance of the school district's buildings and grounds to serve both the students and the community.

SUPPORT SERVICES Community Involvement

We are grateful for the members of this community. Community involvement is a vital ingredient in the recipe for a successful school district. Here's why:

Benefits for students:

- **Stronger academic performance:** Studies show a clear link between community engagement and student achievement. Students thrive when families and community members are invested in their education. This can lead to increased attendance, higher graduation rates, and better test scores.
- **Expanded learning opportunities:** Community partnerships can bring valuable resources into schools. Local businesses, organizations, and professionals can offer mentorship programs, and even field trips that enrich the curriculum and expose students to real-world applications of what they're learning.
- **Improved social-emotional well-being:** A strong community connection can create a more supportive environment for students. Knowing they have a network of people who care about them beyond their immediate family can boost their confidence and sense of belonging.

Benefits for schools:

- **Increased resources and support:** Our Parent-Teacher Groups (PTGs) are very involved in raising funds for equipment, providing resources for celebrations, and college scholarships. Additionally, community fundraising efforts can supplement school budgets, allowing for more resources and programs.
- **Better decision-making:** By involving the community in discussions about resources, programs, and school needs, districts can ensure they're making choices that reflect the values and priorities of the people they serve.
- **Staff morale:** Strong community support can make a big difference in staff members' morale. Knowing their work is valued by the community can boost staff satisfaction and retention rates. Overall, community involvement in schools fosters a collaborative spirit that benefits everyone. Students feel more supported, schools gain valuable resources, and Dover residents have a say in shaping the future of our community—its children.

Transportation Services

Chad Schie, Director of Safety and Operations

Barbara White, Transportation Coordinator

Mike Gibson, Transportation Coordinator

330-364-7109

Travel by school bus provides the safest form of transportation available for students, especially here in Ohio. Strict regulations govern the structure of a school bus as well as the training of all bus drivers. All drivers are trained to be alert to hazards both inside and outside of the bus. They also are required to attend additional periodic training as a continuous process to make sure students have a safe ride to and from school, as well as on field trips and other events. The Dover City Schools transportation team strives to provide better than the best when it comes to safe transportation of the students.

Approximately 1,200 students ride Dover school buses daily. Our buses and vans travel almost 1,200 total miles every day taking children safely to school every morning, and returning them home every afternoon.

Health Care Services

For the 2024-2025 school year, there will be two fulltime registered nurses that provide health care services for Dover City Schools.

Together, they are responsible for implementing health screenings and maintaining immunization records as required by the State of Ohio. In addition, the nurses supervise medication administration, develop individualized health plans for students, make health referrals, provide first aid and develop programs that promote good health for students and staff, and help to ensure that students can attain their fullest academic potential in spite of an array of health issues. The school's nurses are available districtwide by phone or email.

SPECIAL PROGRAMS

In response to the needs of all students, Dover Schools offers a wide range of programs and special services.

Gifted Program

The TAG (Talented and Gifted) program serves identified students in grades 4 and 5. Individualized instruction is provided in the regular classroom and also a pull-out program for grades 4 and 5. Course work is compacted in various curriculum areas to allow time for more advanced skill development.

Substance Abuse Prevention

Health educators are hired for eighth through twelfth grades. In addition to the core health curriculum, there are units on drug and alcohol abuse prevention. Students, K-12, are involved in activities to promote drug-free lifestyles. "Taking it to the Schools," the Red Ribbon Program, Prom Promise, and Leaders' Edge "Anti-Virus" are a few of the programs offered.

Federally Funded Programs

The following federally funded programs provide supplemental services to students.

Title I

Title I is a federally funded program that provides financial assistance to the Dover City Schools to meet the educational needs of underachieving students. The extra instructional assistance helps the students succeed in the regular program, attain grade-level proficiency, and improve in their achievement. Annually, the district receives an allocation of funds and must prioritize grade-level needs. Staff and parents are invited to participate in the evaluation and planning of the yearly program. Title I funds are currently being used to support the reading program at East and South.

Title II-A

Title II-A funds are provided to local schools by the federal government for teacher professional development, recruitment, and hiring. Strategies to increase student achievement are also supported by this grant.

Title III

Title III English language learner grant funds are federal funds to assist English learners in achieving English proficiency consistent with the State's long-term goals and meet Ohio's challenging learning standards.

Title III-Immigrant

Title III-Immigrant funds are federal monies to pay for activities that enhance instructional opportunities for immigrant children and youth.

Title IV-A

Title IV-A funds are federal dollars to support programs that support a well-rounded education program, a healthy and safe school environment, and options for personalized learning experiences.

IDEA-B

The IDEA-B is a federally funded program which makes funds available to school districts based on the number of students with identified disabilities as reported on December 1 of each year. Funds are used to provide additional staff to work with students with disabilities. Direct service to children with disabilities is the top priority for these expenditures. Dover City Schools receives IDEA-B funds for the purpose of the education of children with disabilities. Annually, at the September Board of Education Meeting, discussion will be held regarding how the District will spend its IDEA-B funds and time will be allowed for public comment.

The Education of Children with Disabilities

The Dover City Schools provide the programs

required in accordance with program standards adopted by the Ohio Department of Education, federal guidelines, and Dover's comprehensive plan for special education under IDEIA (Individuals with Disabilities Education Improvement Act).

Special education services to eligible students offered by Dover Schools include speech, language, physical and occupational therapy, classroom resource/inclusion services to students identified with learning disabilities, cognitive disabilities, autism, multiple disabilities, hearing, vision, orthopedic and other health impairments, emotional disturbance, and traumatic brain injury.

Dover City Schools offers an integrated preschool program for children with disabilities and typically developing children is provided for eligible students ages three to five.

CHILD FIND-Ohio

Federal, state and local regulations require all Ohio schools to conduct annual child find activities. Child Find is the process of locating, evaluating, and identifying children with suspected disabilities who may be in need of special education and related services.

WHAT IS THE PURPOSE OF CHILD FIND?

- To promote public awareness of disabilities.
- To alert parents, professionals and the public to children who may have special needs.
- To assist school districts in finding children who may have disabilities and who otherwise may not have come to their attention.
- To enable children and families to receive the special education and related services that are needed.

For referrals and for more information, please contact

Office of Student Services

Gina Franks, Director
