Does your child have previous experience in an online learning environment? _____

What is the main reason that your child wishes to enroll in the Dover Virtual Academy?

What future educational plans is your child interested in? (check all that apply)

- Buckeye Career Center
- Advanced Placement or College Credit Plus classes
- Attend college after graduation
- Enter the workforce/career after graduation
- Military service

Personalized Learning Plan: (check all that apply)

- The student has an early graduation request on file with Dover City Schools.
- The student has an Individual Educational Plan (IEP) or a Section 504 Plan.
- The student participates in or plans to participate in, athletics and or school-sponsored activities.
- The student plans to participate in athletics at the collegiate level.

Remote Learning Pathway - Credit Flexibility Plan: (check only one)

- Online learning while attending the DVA Lab (Recommended)**
Students attend the DVA lab in-person TWO days a week. The DVA lab is equipped with Chromebooks, workspaces, and supervising teachers. Student are required to work remotely on the days they do not attend the DVA lab.
- 100% Online learning (must have had a 70% attendance rate and passed all classes in the previous academic year)**
Students complete online coursework independently without supervising teachers. Online learning requires self-discipline and a strong commitment to success, so students and parents should be thoughtful about whether or not a 100% online learning environment is a good fit for the child's learning style.
