Remote Learning Pathway - Credit Flexibility Plan: (check only one)

_____ **DVA Lab TWO DAYS per week (Recommended)**
Students attend the DVA lab in person TWO days a week. The DVA lab is equipped with Chromebooks, workspaces, and supervising teachers. Students are required to work remotely on the days they do not attend the DVA lab.

_____ **100% Remote Learning (70% attendance rate and must have passed all classes in the previous academic year)**
Students complete online coursework independently without supervising teachers. Online learning requires self-discipline and a strong commitment to success, so students and parents should be thoughtful about whether or not a 100% online learning environment is a good fit for the child's learning style.
