90 School Days Second Semester

175 Full Instructional Days for the Students and 185 Days for Teachers

Calamity Make-Up Days

In the event it is necessary to close school due to severe weather or public calamity, make-up instructional days may be scheduled in order as follows:
End of the school year, June 3, 4, etc.

A Message from the Superintendent

Dear Dover Students, Families, and Community Members:

Welcome to the 2023-24 school year! As I embark on my third year as superintendent and celebrate my 25th year as a part of the Crimson Tornado family, I continue to be inspired by our collective strength and the significant strides we have made. Our achievements are a testament to the community that supports us, allowing us to continue offering the educational and extracurricular opportunities that prepare our students for their futures.

In our commitment to adapt and grow with our students, staff, and community, we have recently completed the development of a new strategic plan. This plan is shaped by specific goals and initiatives: the need to evaluate our level of student services, including more college and career planning and counseling services; increase our community partnerships and engagement in schools; and research more innovative use of both physical space and time within each school.

Whether your child is starting their first year with us or preparing for their last, our goal is to meet them where they are. Our well-rounded curriculum is crafted to prepare Dover students for diverse paths, including the workforce, military service, or higher education. Dover High School continues to offer a comprehensive Advanced Placement (AP) program with 13 courses, including a two-year seminar and research course that equips students for an AP Capstone Diploma.

We remain immensely proud of our rich fine arts offerings. The arts, both visual and performing, are woven into our curriculum at all grade levels. With a new school year comes the excitement of witnessing the growth of our student artists and musicians. Our broad spectrum of extracurricular activities, including 21 varsity sports and clubs like Power of the Pen and Mock Trial, provide opportunities for students to pursue their interests and enhance their social-emotional skills.

Your partnership is important to us. Together, with the guidance of our new strategic plan, we look forward to "Addressing Tomorrow's Challenges Today" and making this academic year another successful one for our staff, students, and the entire Dover community.

Sincerely,

Karie McCrate

Karie McCrate
Superintendent

BOARD OF EDUCATION MEETINGS

The Dover Board of Education meets on the second Monday of each month at 7:00 p.m. in the Board Room at 228 West 6th Street. Occasionally, a meeting is conducted at another school building. If so, advance notice is given.

Letter to the Community

The history of Dover Schools dates back to the early 1800's. Since that time, our schools, like our great community, have grown and evolved in many outstanding ways. Third Street and the downtown area look vastly different now compared to the 19th century. The same is true of our school district and the education we provide to the students of our community. The causes for progress and improvement within our school community varies. Some of these advancements have happened out of necessity, some as a result of legislation, and many as a result of innovation. However, there has been one constant in the growth our city and school district have seen over the years: the dedication and leadership of the people of Dover.

The Dover City School district is committed to be a champion of educational progress and innovation. We take immense pride in knowing that a great school district often contributes to what makes a community great. Our administrators, teachers, and support staff accept this challenge. We know the importance of creating learning environments where all students are welcomed, engaged, challenged, and supported. We understand how vital it is, in order for our community to thrive, that its students be well-rounded, well-educated, and highly-equipped for the workforce, college, or the military. We take great pride in knowing that our students, after receiving an education from Dover City Schools, will be ready to contribute and give back to this community. Ensuring our students are successful is why we do what we do, and we could not do it without your support.

To the parents, grandparents, caregivers, and members of this community: thank you for your dedication. Thank you for showing up to celebrate with us at sporting events, concerts, plays, academic awards, Family Literacy Nights, and so many other events. Thank you for being champions of our school district's students and staff members. Thank you for offering your support as we work tirelessly to innovate and adjust with an ever-changing educational landscape in our effort to provide the children of this community with the best education possible. As we look forward to the start of the 2023-2024 school year, the staff of Dover City Schools remains dedicated to addressing tomorrow's challenges, today.

Seth Corder

Assistant Superintendent

Dover High School administration and staff are honored to begin another school year in our new high school that was so generously given to us by our community. As we continue in the tradition of Dover excellence, we are humbled by our community's support and its commitment to the continuation of our rich Dover traditions in this new era.

Dover High School has been recognized by US News and World Report as "One of America's Best High Schools," for another school year. The high school staff works diligently to provide a great foundation for all students and believes education is the foundation of a productive, successful life. Along with our traditional course offerings, Dover High School offers thirteen Advanced Placement courses, nine dual-credit classes and several honors courses. There are more than twenty athletic opportunities where students can compete at an individual or team level. Students are encouraged to participate in our award-winning performing and visual arts programs, both in the classroom and after school. In addition, a variety of clubs are offered for students to become involved with others who share common interests and goals. We believe developing the whole student academically, athletically and socially helps prepare the student for a future beyond the high school doors.

Welcome to Dover Middle School!

Our school is a student-centered place committed to the educational success of each of our students. Housing grades 6, 7 and 8, we realize the incredible responsibility it is to educate the middle school age child and we strive to meet the needs of every student. Our top-notch, hard working staff is committed to helping each child navigate through this particularly important and formative stage of their education and personal development.

In addition to intervention and enrichment programs, Dover Middle School provides a wealth of learning opportunities for students. Those opportunities include a range of language arts and math courses for every type of learner; high school credit options for qualifying students and elective courses such as Project Lead the Way. Our band, choir and orchestra programs provide an excellent foundation for students to explore their musical talents. Additionally, our social studies teachers offer classes that cover digital literacy, financial literacy, life skills and more for those students not in music or our core plus more programs.

Not only do we provide academic and music outlets for our students, Dover Middle School offers a variety of sports for our students interested in athletics, Power of the Pen for those who enjoy writing and an afterschool program called Study Plus. Our Hope Squad program will provide leadership opportunities and support for students in need and we will continue Positive Behavior interventions and Supports (PBIS) as we introduce our 3 B's, Be Respectful, Be Responsible, Be Safe.

We believe Dover Middle School is a great place to be and know that together with our staff, our students, our families and our community it will continue to be just that as we involve ourselves in the 21st century learning with the priority of creating lifelong learners.

***Dover Middle School is
an exciting building to attend!***

Dover Avenue services our fourth and fifth grade students within Dover City Schools. We strive to provide educational experiences and opportunities that foster the unique qualities of this age group.

Academically, we provide intervention and enrichment to our students within the classroom through intentional portions of our school day. Our Talented and Gifted (TAG) program also provides further enrichment in Math and Science for students who are identified as gifted learners. In addition to academic supports, our students have opportunities to participate in other activities such as Science Club, Chess Club, Student Council, Crimson Companions, Orff Ensemble, Band and Orchestra. These opportunities provide students with a foundation to develop interests in leadership, STEAM, and fine arts.

We value community and are appreciative of all the local support through community partnerships. We encourage our students to give back to our community through donations and collaboration with local nursing homes, Rainbow Connection, Dover Public Library and the PTG Christmas Give. We continue to foster community engagement through several PTG-sponsored events such as our Fall Fest, Time with Teachers, VIP Day, Book Fairs, Fine Arts Festival, and Dover-Phila Spirit Shop. Our PTG creates memorable experiences for all of our students through their leadership, dedication and support.

We appreciate the continued support from our parents and families and truly believe that Dover Avenue is...

Providing Excellence in Education

Welcome to Dover East Elementary School! We are proud of the solid tradition of academic Success at our school as well as the experiences we are able to provide our students during these very formative and foundational years of their educational careers.

Our school is home to over 385 students in second and third grade. A staff of approximately 35 professionals provides learning, educational support, and various services through blending experience and enthusiasm to best meet the needs of our students. To note, we have several enhancement programs that offer supplemental help in reading, math, speech, and language skills.

Because we understand the importance of educating the “whole child,” as evidenced by the variety of options students are offered during their time here, we likewise provide extracurricular opportunities including student council and the Accelerated Reader program; moreover, athletic opportunities are available to our students in various forms within our local community.

In addition to a top-notch, hard-working staff and our student-centered programming, East PTG and community volunteers are an extremely valuable support and resource to our students and our school community. Their dedication is an important contributor to the positive experience facilitated for every student at East Elementary.

We believe East Elementary School is a great place to be, and together with our school community and local community, our students are given an environment in which they can grow and learn each and every day!

Preschool–Grade 1

Tracie Murphy, Principal

Darla Polce, Secretary

Kelsey Grewell, School Counselor

Amanda McConnell, PTG President

Welcome to Dover South School! At South School, we take pride in providing a safe, positive and welcoming environment where all children have the opportunity to succeed. We have a dedicated staff that puts the needs of students at the forefront of all they do.

The 2022/2023 school year was a busy and productive year. Our students did a great job learning and growing together. At South School, our staff values promoting and encouraging positive choices and interactions. We have worked to model this for our students. The 3B's; Be Respectful, Be Responsible and Be Safe, have been a focus for this school year and will continue to be an important part of learning to work together.

Our Preschool continues to maintain a 5-Star rating through the "Step Up To Quality" rating system. We are proud to have earned and maintained the highest rating from the Ohio Department of Education.

Our PTG provided many fun activities for our students and families. Family movie nights, classroom parties, book fairs and of course our annual Ice Cream Social. Through their fundraising efforts, we were able to add a fence to our preschool playground. We appreciate all the work this group of volunteers does to support our students, staff and families.

There are many opportunities for our students to show kindness and to give back. Our students participated in several community service activities. We help special dress up days to support the Rainbow Connection, Share-A-Christmas, and Big Brothers/Big Sisters..

Thank you to all of our South School! families for working with us to provide a positive and successful school experience. We are looking forward to another great year in 2023/2024.

SOUTH SCHOOL MISSION STATEMENT

The South School Community will provide opportunities for all children to grow academically and socially in a positive environment that encourages and strives for success.

THE DOVER STAFF

During the 2022-2023 academic year, the Dover City School District Employed 193 full time equivalent certified personnel (teachers and administrators) and 92 full-time equivalent support personnel.

Personnel Profile

Dover's Certified Teaching Staff

(includes part-time teachers, but does not include administrators)

By Gender: 127 female teachers (71%); 52 male teachers (29%)

By Training: 23 teachers have a Bachelor degree (12.85%)
16 teachers have a BA + 15 hours (8.94%)
75 teachers have a Masters degree (41.90%)
35 teachers have a MA + 15 hours (19.55%)
30 teachers have a MA + 40 hours (16.76%)

By Experience: 15 teachers have 0-4 years experience (8.38%)
23 have 5-9 years (12.85%) and
141 have 10+ years (78.77%)

Total Number of Positions

General Faculty: 137

Special Education Personnel: 35

30 Teachers, 3 Speech Therapists, 2 School Psychologists

Educational Service Personnel: 13

6 Counselors, 5 Nurses,

1 Dean of Students, and 1 Librarian

Administrative and Supervisory Personnel: 14

Support Personnel: 92

Classroom Assistants, Secretaries,

Custodial, EMIS Coordinator,

Food Service, Maintenance Personnel,

Bus Drivers and Van Drivers

- Dover teachers have an average of 17.6 years of experience.
- The average teacher salary for the 2022-23 school year was \$68,200.64

**Actual enrollment in October, 2022. Information is from the Ohio Department of Education, the Education Management Information System (EMIS), and District Report. The calculations for the years 2023-2032 represent enrollment projections based on actual enrollment for 2022-2023, past enrollment patterns, and best estimates of community growth.*

Enrollment Data

In 2022-2023 the actual enrollment as reported to the Ohio Department of Education was 2,739 students. There were 1,436 boys and 1,303 girls enrolled. The ethnic composition was 0.005% Asian, .01% Black, 76% White, 19% Hispanic, .03% Multi-Racial, and 0.005% Indian.

The 2022-2023 school year was the 20th year for open enrollment in Dover City Schools. Approximately 180 students were open enrolled.

It is the policy of Dover Schools to provide an equal opportunity for all students to achieve their maximum potential through the classroom and extracurricular programs offered in the district regardless of race, color, creed, handicap, religion, sex, ancestry, national origin, place of residence, or socioeconomic background

STATE AND LOCAL TESTING

Grades 3-8 Achievement Tests: Achievement Tests are based on the state content standards. In grades three through eight, students are tested in reading and math every year. Science knowledge is assessed in grades five and eight.

ACT: In Spring of 2023, all Juniors took the ACT

End of Course Exams: Students taking certain high school classes are required to take an end of course assessment. These classes include Algebra I, Geometry, Language Arts 10, Biology, American History and American Government.

STUDENT ASSESSMENT IN THE DOVER SCHOOLS

The individual student's academic growth and ability are measured throughout the student's educational career. The results of the standardized testing are also used to assist in curriculum development and for planning instructional goals. The following standardized tests are given and are part of the student's school record:

- **InView Abilities Assessments:** Grades 2 & 3
- **Measures of Academic Progress:** Grades 1-12
- **Ohio's Kindergarten Readiness Assessment**
- **Ohio Third Grade Reading Achievement Test and Math Test**
- **Fourth Grade ELA and Math Achievement Tests**
- **Fifth Grade ELA and Math and Ohio Science Achievement Tests**
- **Sixth Grade ELA and Math Achievement Tests**
- **Seventh Grade ELA and Math Achievement Tests**
- **Eighth Grade ELA and Math and Ohio Science Achievement Tests**
- **Pre-ACT:** Optional, Grades 8 & 10
- **DIBELS:** Grades K-5
- **OELPA:** Grades K-12
- **Preliminary Scholastic Aptitude Test (PSAT):** Optional, Grades 10 & 11
- **Armed Services Vocational Aptitude Battery:** Optional, Grades 11 & 12
- **American College Test (ACT):**
Grade 11 and Optional Additional for Grades 11 & 12
- **Scholastic Aptitude Test (SAT):** Optional, Grades 11 & 12

Parents may request a review of their child's test data either during regularly scheduled conferences or by making an appointment with the school principal or counselor.

Measures of Academic Progress: These online assessments indicate a student's growth compared to the district and national averages. Student achievement is measured in reading, math, and language arts.

ACT and SAT Tests: Each year, DHS juniors and many seniors take the ACT test. Their composite scores have consistently been above the state and national averages. To help students prepare for the ACT and ensure college readiness, PREACT tests are given to eighth graders and sophomores. Many high school students also participate in the PSAT/NMSQT in preparation for the SAT. Some Dover students take the SAT for the purpose of college admission.

SUPPORT SERVICES

Child Nutrition Services

Angela Welch, Food Service Director

Our program follows the USDA nutritional guidelines and the Hunger Alliance Standards for a Healthier Generation to ensure your children are receiving the highest quality meals. It is the goal of the department to teach and encourage lifelong healthy eating habits while using fresh local foods for our students. We offer an interactive menu with nutritional information available for all menu items in the food service section of our district page. You can also download the free My Schools Meals app and choose Dover City Schools District for menu information. You may fill out a Free & Reduced Lunch Application on the Food Services section of our webpage or request a paper copy from any building if you feel you may qualify. Dover City Schools uses an electronic point of sale program in all our buildings. This allows parents to deposit any amount of money into your child's account while keeping information private. Parents also have the ability to monitor and add money to their child's account by setting up an account at the payschoolscentral.com web site, which has a free mobile app to download for easy access.

Please contact our Food Service Director at 330-364-7103 for any questions regarding our food service program. Thank you for letting us be a part of your child's day at Dover City School.

Maintenance Services

Chad Schie, Director of Safety and Operations

Taking care of five Dover City Schools buildings, as well as the stadium, requires the full-time efforts of our custodial and maintenance staff. It requires diligent upkeep and repairs during the school year and throughout the summer months. Continually integrating modern upgrades and new technology into

the old buildings is an interesting challenge.

The Dover City Schools maintenance and custodial teams work together to provide an environment that is clean, sanitary, and safe. The school properties belong to the community. We strive to support the maintenance of the school district's buildings and grounds to serve both the students and the community.

Community Involvement

Community involvement is essential to the success of our students' educational journeys. At Dover Schools, we are blessed to have so many dedicated parents and community members who volunteer as tutors, classroom aides and assistants, and event workers. In addition, we are extremely grateful for the members of the community that have answered the call to serve as substitutes in and out of our classrooms. Always willing to lend a hand, our Parent-Teacher Groups (PTGs) are engaged in raising funds for equipment, celebrations, and college scholarships. Our athletic and music boosters take great pride in ensuring our students have the best experiences possible during their time as Dover students.

In Dover, our schools not only serve as central "hubs" for learning- they serve as host-sites for events such as, sports contests, academic awards ceremonies, guest speakers, vocal and instrumental music performances, plays, Open Houses, and One View Night, and Family Literacy Night.

At Dover Schools, we are proud of the bond between our school district and the members of our community. We remain thankful for the support of all Dover residents, especially those that give their time, talent, and resources so willingly to benefit Dover students.

Transportation Services

Chad Schie, Director of Safety and Operations

Barbara White, Transportation Coordinator

Mike Gibson, Transportation Coordinator

330-364-7109

Travel by school bus provides the safest form of transportation available for students, especially here in Ohio. Strict regulations govern the structure of a school bus as well as the training of all bus drivers. All drivers are trained to be alert to hazards both inside and outside of the bus. They also are required to attend additional periodic training as a continuous process to make sure students have a safe ride to and from school, as well as on field trips and other events. The Dover City Schools transportation team strives to provide better than the best when it comes to safe transportation of the students.

Approximately 1,200 students ride Dover school buses daily. Our buses and vans travel almost 1,200 total miles every day taking children safely to school every morning, and returning them home every afternoon.

Health Care Services

For the 2023-2024 school year, there will be two registered nurses that provide health care services for Dover City Schools.

Together, they are responsible for implementing health screenings and maintaining immunization records as required by the State of Ohio. In addition, the nurses supervise medication administration, develop individualized health plans for students, make health referrals, provide first aid and develop programs that promote good health for students and staff, and help to ensure that students can attain their fullest academic potential in spite of an array of health issues. The school's nurses are available districtwide by phone or email.

SPECIAL PROGRAMS

In response to the needs of all students, Dover Schools offers a wide range of programs and special services.

Gifted Program

The TAG (Talented and Gifted) program serves identified students in grades 4 and 5. Individualized instruction is provided in the regular classroom and also a pull-out program for grades 4 and 5. Course work is compacted in various curriculum areas to allow time for more advanced skill development.

Substance Abuse Prevention

Health educators are hired for eighth through twelfth grades. In addition to the core health curriculum, there are units on drug and alcohol abuse prevention. Students, K-12, are involved in activities to promote drug-free lifestyles. "Just Say NO" clubs, "Tornadoes Against Destructive Decisions," "Taking it to the Schools," the Red Ribbon Program, Youth 2 Youth, and Prom Promise are a few of the programs offered.

Federally Funded Programs

The following federally funded programs provide supplemental services to students.

Title I

Title I is a federally funded program that provides financial assistance to the Dover City Schools to meet the educational needs of underachieving students. The extra instructional assistance helps the students succeed in the regular program, attain grade-level proficiency, and improve in their achievement. Annually, the district receives an allocation of funds and must prioritize grade-level needs. Staff and parents are invited to participate in the evaluation and planning of the yearly program. Title I funds are

currently being used to support the reading program at East and South.

Title II-A

Title II-A funds are provided to local schools by the federal government for teacher professional development, recruitment, and hiring. Strategies to increase student achievement are also supported by this grant.

Title III

Title III English language learner grant funds are federal funds to assist English learners in achieving English proficiency consistent with the State's long-term goals and meet Ohio's challenging learning standards.

Title III-Immigrant

Title III-Immigrant funds are federal monies to pay for activities that enhance instructional opportunities for immigrant children and youth.

Title IV-A

Title IV-A funds are federal dollars to support programs that support a well-rounded education program, a healthy and safe school environment, and options for personalized learning experiences.

IDEA-B

The IDEA-B is a federally funded program which makes funds available to school districts based on the number of students with identified disabilities as reported on December 1 of each year. Funds are used to provide additional staff to work with students with disabilities. Direct service to children with disabilities is the top priority for these expenditures. Dover City Schools receives IDEA-B funds for the purpose of the education of children with disabilities. Annually, at the September Board of Education Meeting, discussion will be held regarding how the District will spend its IDEA-B funds and time will be allowed for public comment.

The Education of Children with Disabilities

The Dover City Schools provide the programs required in accordance with program standards adopted by the Ohio Department of Education, federal guidelines, and Dover's comprehensive plan for special education under IDEIA (Individuals with Disabilities Education Improvement Act).

Special education services to eligible students offered by Dover Schools include speech, language, physical and occupational therapy, classroom resource/inclusion services to students identified with learning disabilities, cognitive disabilities, autism, multiple disabilities, hearing, vision, orthopedic and other health impairments, emotional disturbance, and traumatic brain injury.

Dover City Schools offers an integrated preschool program for children with disabilities and typically developing children is provided for students ages three to five who meet eligibility.

PROJECT OHIO

(Ohio Handicapped Identification Operation)

Schools across the state are cooperating in an endeavor to **locate, identify, and evaluate** all children with disabilities who are under the age of 21 years and who are not yet receiving special education through public schools.

***For referrals and for more information,
