# Dover Schools Online Academy

**100% ONLINE  
SELF-PACED  
LEARNING**

- 100% digital instruction program that allows families to opt in to a curriculum specifically designed for online learning
- For the content and platform, the district will use Odysseyware for grades 6-12, and Edgenuity for grades K-5
- The Dover Online Academy will be staffed by Dover teachers

---

# Software and Curriculum

Course Offerings and Demo Accounts for Grade 6-12 Available Here:

<https://www.dovertornadoes.com/Odysseyware.aspx>

---

# **Student Accountability and Resources**

Students will be expected to engage in the Dover Online Academy following the district school year calendar

Students will have the option to use a school-issued Chromebook or their own personal device

Progress reports, grades, GPA, and course credit will all “count” the same as in our school-based instructional models

Dover teachers assigned through the Online Academy will monitor log-ins and progress for groups of students and will provide support to the students as needed

---

# Student Services

## Special Education:

Intervention specialists and related service providers will be assigned to students participating in the Dover Online Academy and provide services according to the students Individual Education Plan (IEP). IEP teams may need to meet to determine any amendments that may need made to a student's IEP in an online learning environment.

## Gifted Services:

Gifted services will be provided based upon Written Education Plans (WEPs).

---

# **Athletics and Activities**

Students in the Dover Online Academy will be able to participate in school athletics, extracurricular activities, and after-school functions following the same eligibility guidelines, OHSAA requirements, and health and safety guidelines required for all students.

---
