

East Elementary School

325 Betscher Avenue

Dover, Ohio 44622

330-364-7114

Mr. Zach Zesiger, Principal

Dear Parents & Guardians,

We are excited that beginning next year, East School will be home to Dover's second and third-grade students. As the East School principal, I'm extremely excited to get to know all of Dover's second and third-grade students and families.

Prior to becoming a principal here, I taught at Dover Avenue Elementary School as a first-grade teacher for thirteen years. I am looking forward to a great year for us all. This change brings many great opportunities for our Dover students, and I look forward to working with you to ensure that your child is reaching his or her full potential. Please rest assured that I will work extremely hard to make this transition smooth, and know that our goals are the same: to build upon the long-standing tradition of high student achievement and to facilitate a successful year for each of your children!

In the spring, all first and second-grade classes will be visiting East School for a tour of the building and to meet a few new classmates. In addition, parents will have the opportunity to visit during "Meet the Teacher Night" in August. More details will be coming home in the near future regarding these school visits.

It is also my desire to keep you well informed of what is occurring at East Elementary School. Information regarding Elementary Reconfigurations can be found on our district's web page under "Latest News" at <http://www.dovertornadoes.com/Reconfiguration.aspx>

If you have any questions or concerns, please do not hesitate to contact me. I look forward to having a rewarding relationship with you and your family. I feel confident that your child will feel at home at East School very quickly and it will be an exciting place to play, learn, and grow together.

I hope your child continues to have a great 2018-2019 school year!

Sincerely,

Mr. Zach Zesiger
